**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition throughout our country is what keeps the free market fair and equitable. I choose a competitive provider. The average consumer does not need unnecessary price hikes. We all need broadband in this modern age, and I'm very happy using a competitive telephone service.

In a competitive market, competition keeps the field fair and helps to maintain quality.

Thank You
